

Year 11 Exam and Revision Plan 2018

- ✓ You will be expected in school as normal until the 15th June 2018
- ✓ For morning exams you should be in the canteen for 8:30am (the canteen will be open from 8am with breakfast available)
- ✓ For afternoon exams you should be in the canteen for 12:45pm

From 14th May 2018 if you do not have an exam, you should arrive in school by 8:50am

YOU MUST BE REGISTERED IN YOUR FORM ROOM

There will be a notice board in the Blue Yard corridor, detailing that day's arrangements (rooming, timetable etc) for revision along with another board showing examination notices. You should check both carefully, each day. **UNLESS INDICATED ON THE BOARD, SESSIONS ARE IN YOUR NORMAL TEACHING ROOM.** You are still on the school roll so are expected to attend when required. Normal attendance procedures apply for illness.

The basics of this exams revision plan are:

- Examinations take first priority.
- Special revision lessons will be arranged in the run up to your examination. These take second priority if they clash with exams
- All subject lessons will continue, as normal, until you have finished your last examination in those subjects.
- There will be staff to supervise you in quiet revision sessions when the exam has been completed in those subjects.

The key for how this document works is shown below. All sessions are compulsory but you attend in the order shown:	
EXAM	Attend this exam if you are sitting this subject
SPECIAL REVISION	Attend this revision session if you are doing an exam in that subject
LESSON REVISION	Maths, English, Science, Languages, RE and Options subject lessons continue, as normal, until you have finished the examinations in those subjects.
