

Week commencing Monday 16th September will be a Week A

### Headteacher's update

#### Open Evening

I cannot express how wonderful it was to see the number of parents/carers and students who attended the Open Evening on Tuesday. It was fantastic to see the enthusiasm from our students who came back to help out in the classrooms and to give prospective parents a tour and answer any questions they may have. I would also like to take this opportunity to thank the staff for all their hard work in preparing for the evening, the classrooms and school looked amazing. I look forward to welcoming all the parents who have booked onto the tours over the next three weeks, the dates are listed below, so please contact the school office if you would like to visit the school during the school day.

#### Year 7

Our Years 7's have made an extremely positive start to their time at Stanley High School. Despite lots of nerves on arriving for their first day, they quickly settled into the swing of things and took everything in their stride. It has been lovely to see the kind and caring way in which the older students have helped them find their way to lessons and really settle in.

When discussing certain highlights with students, plenty of praise was reserved for how much they had enjoyed their lunches in the canteen (they loved having a sneaky 10 minutes head start over the older students).

Lots of mentions went to Art lessons, which have proved very enjoyable with students drawing both sweets and dinosaurs. As a year group, Year 7 have been receiving a massive amount of achievement points this week which is fantastic. Keep up the amazing work Year 7's.

Art

Year 10 have made a great start to the term. They have been working on a summer holiday project for their Art GCSE course based on their pets.

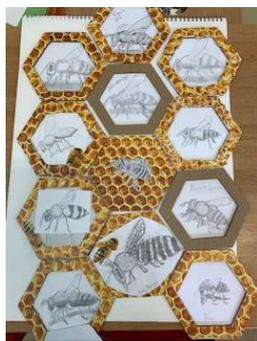

Students were asked to research the artist Peter Blake and then take photos of their pets.

From these photos they then had to produce paintings influenced by Peter Blake's style. Well done Year 10, a great start to the year.

Mrs Ward

I am so proud of my Year 8 class 8X3 this week during a double lesson they produced some stunning drawings of bees, beautifully presented for their insect project, a brilliant start.

Thank you also to Mrs Coggins for assisting students.

### Word of the week

As you may know, we have a word of the week that we encourage students to use during their day to day learning and each week the word will be displayed in classrooms and around school. The word for next week will be 'plaintively' and we hope they have lots of opportunity to use the word within lessons.

Plaintively – adverb – 'expressing sorrow; mournful or melancholy'
