Black History Month Assemblies

This week members of our Junior Leadership Team have launched Black History Month through the delivery of a powerful and thought-provoking assembly to all year groups.

The focus for this year is Reclaiming Narratives and the Junior Leadership Team spoke about how, for centuries, the stories of Black people have been told from perspectives that sometimes leave out their strength, resilience, and achievements. The students explained how we as a school community and as individuals can help reclaim narratives. Thank you and well done to Mia, Lia and Emma for delivering such an important message.

Year 7 Student Ambassadors

During our open evening over 100 Year 7 students took on the role of Student Ambassadors. Despite only being at Stanley for a matter of weeks, many of them were tour guides for the evening whilst others supported in subject areas.

We are incredibly proud of how well they presented themselves and it was lovely to hear the fantastic feedback from the families who visited us. Congratulations and well done to all the students involved.
