Half Term break

To support Mental Health Awareness week, the PE Department are organising a whole school cycling challenge. We have hired 4 stationary exercise bikes that will be located in the foyer from 3rd-7th February. We are looking to cover 874 miles which is the distance from Lands End to John O'Groats.

Students will have the opportunity to participate in the challenge during break times, lunch times and within their PE lessons. To ensure there is no overcrowding on the corridors during the week, there will be a day allocated for each year group to get involved.

PRAISE POINTS

Congratulations to the **616** students who received no behaviour points last week.

Keep up the good work.

Children's Mental Health week

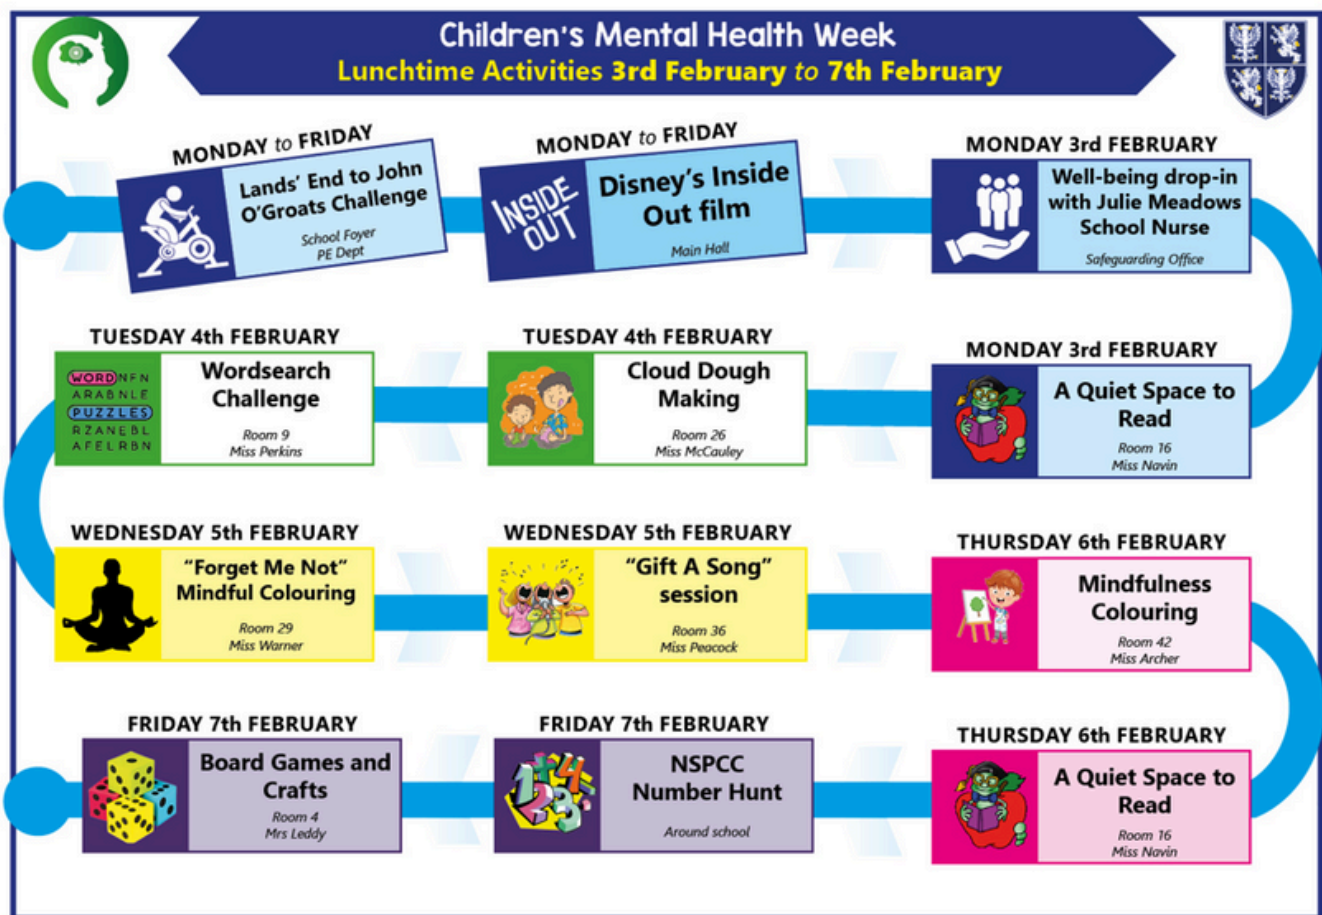

Children's Mental Health Week

The theme this year is 'Know Yourself, Grow Yourself'. During form time and assemblies, we will be exploring strategies to support mental health and well-being. We are also launching a whole school Cycling Challenge - 'Land's End to John O'Groats' and there will be a whole range of activities on offer every lunch time that promote positive mental health and well-being.

Please see the information below with details of the activities available. Please follow the link below to the Children's Mental Health website with lots of tips and ideas to support young people with their mental health.

Vacancies | Stanley High School

We are looking to employ a Level 2 Teaching Assistant to work in our SEND team.

The closing date is 31st January with interviews taking place in February.

We also have a vacancy for a Teacher of Music

The closing date is 17th February with a September start date. Interviews to be confirmed.

Please follow the link to see full job descriptions and person specifications.

Year 8 Textile students are working on the theme of cupcakes. They are working hard on creating pom poms in three different sizes to create a tiered cake. They have used measuring techniques to create circles out of recycled card and then wrapped wool around it. They have learned about percentages of wool to create just the right mix and pom pom fluffiness. The students would not have been able to create these master pieces if it wasn't for the help and unyielding support of our teaching assistants Mrs Mc Mahon and Mrs Lavery.
