Success for All

To complement our History GCSE syllabus, an exciting educational trip has been arranged for the Year 10 Historians to visit the Imperial War Museum in Manchester.

The trip is designed for students who have studied Weimar and Nazi Germany, and our future unit of work to study the Cold War.

This will help students bring to life everything we have discussed and learnt in class and inspire them to look at interesting artefacts to embrace some local, national and international history.

Visit their website to find out for yourself what they have to offer.
