## Success for All

Our Year 11 Geographers enjoyed their Geography field trip on Monday when they took to the streets, on foot, to explore the local profile, as well as researching two other areas online; this is part of their GCSE course.

Well done to our Year 11 Creative Media students who have worked really hard this week in the final push on the final element of their Creative Media exam.

Students in Year 7 will be taking their Bikeability sessions next week. Something they are looking forward to. This is always a very successful activity.

Year 9 students left for their Duke of Edinburgh practice expedition today, let's hope they enjoy the sunshine as well as learning to navigate on their walk. There will be a 2<sup>nd</sup> session taking place on 16<sup>th</sup> May.

**The online world is an important part of kids' lives nowadays. It's an exciting place for them to explore, with all sorts of fun and educational stuff to discover, but there can be some risks too.**

**'Keeping children safe online' will teach you how to help kids explore their favourite apps, games and sites safely. Our workshop will:**

- help you understand how children experience the online world
- show you resources and tools that could help keep them safe
- empower you to guide them on their journey.

**Wednesday 7<sup>th</sup> May 5pm  
at Stanley High School  
please email

## London 2025

As part of the #kNOwKnifeCrime campaign, six of our Stanley High students joined schools across the Southport Learning Trust to experience an unforgettable weekend in London. Last Saturday, the students had the opportunity to participate in the School Mile Race – a unique chance for our students to cross the iconic TCS London Marathon Finish Line. This was a 2.6km race around the incredible landmarks of London – an amazing experience for both our students and staff. Well done to all our fantastic runners.

Last Sunday, students and staff enjoyed another busy day which included a trip on the London Eye and the incredible experience of cheering on all the marathon runners at mile 25. Our students showed so much encouragement and support to all the marathon runners!

Well done to everyone involved in helping spread awareness of the #kNOwknifecrime campaign in memory of Colin McGinty.

Year 11 Art students have been planning their final pieces since January. They had to choose from a variety of 15 themes, produce observational drawings and photographs based on their chosen theme, connect these to an artist and plan techniques.

Examples include 'My happy place' by Alfie Jackson, 'Kitchen Life' by Asia, Krystian is looking at all things black and white and many more.

## Cleveland House visit

On Monday 28th April 2025, Year 8 and 9 students from Drama club took their performances of 'Six Gone Wrong' and 'Mean Girls of Stanley' to perform for residents of the Brain Trust Charity at Cleveland House. The girls performed brilliantly and the residents were delighted with their mini-musicals!

## Student achievement

Hannah in Year 9 and her gymnastics team travelled to Slovakia for the Slovakia Gymnastics competition.

They came 2nd in the qualifiers round to take them to the finals which in the finals they absolutely smashed it and came 2nd again.

We look forward to hearing of your next success - Well done Hannah.
