

STANLEY BULLETIN

Friday 9th May 2025

Success for All

Year 11 students are in their most important period of school life for the next 5 weeks. The GCSE exams commence in earnest next week after the Drama and German Listening exams took place this week. Please see the full schedule at the end of this bulletin.

On the mornings of exams, students are invited into school from the earlier time of 8.30am and are to go to the canteen where they can get breakfast and prepare themselves for their morning exam. Staff will be available to offer support and advice.

Year 11 students not sitting an exam should arrive for normal registration time of 8.40am.

Exams will start at 9am and 1pm daily. Should you have any questions, please do not hesitate to contact the school, your child's Form Tutor, Year Leader or Pastoral Lead either by telephone or email.

Please follow the link which has details of a workshop provided by the NSPCC MHST regarding online safety.

<https://www.nspcc.org.uk/keeping-children-safe/online-safety/free-online-safety-group-workshops/>

If your child is part of a team, or takes part in any external activities you would like to share with us, please contact the school and let us know.

We want to be able to celebrate their successes with you and it is always a joy to hear of the wonderful things our students achieve outside of the school environment.

Student success

Noah in Year 7 and his football team JN Select recently played in the Junior Premier League National Trophy.

After winning their regional quarter final Vs Chorley FC, they travelled to Solihull Academy for the semi-finals on Saturday 3rd May where they faced Titans FC from London in the final at Gloucester City Stadium.

JN Select won 3-0 with Noah grabbing the first goal to win the U12 Junior Premier League National Trophy. Congratulations, Noah!

On Friday 2nd May, all Year 11 Historians had a session with our local Police force during their history lessons to help bring to life their recently completed Crime and Punishment unit of their GCSE.

Students had the opportunity to see Police equipment, including looking inside a Police vehicle and understanding how the Police tackle crime today. They also had the chance to ask questions. Some students are actively looking into the Police force as a career, so this will support this and also possibly inspire others!

Last Friday, our first group of Year 9 students completed their Bronze Practice Expedition. Their behaviour and resilience were exemplary, and they made great strides with their navigation and campcraft skills. Well done, everyone, and good luck for your Qualifying Expedition in June! A huge thank you to all the staff who gave up their time to ensure the expedition could take place.

Pharmacy First

This service enables children and adults to get quick access to healthcare advice by walking in to a pharmacy and accessing the service (some pharmacies also offer the service remotely as a video consultation). A consultation with a pharmacist in a private consultation room will then be offered. This service takes away the potential delay of having to wait for a GP appointment and may help ensure children and staff get well and back to school as quickly as possible, potentially positively impacting attendance rates.

Summer Canteen Menu

Please follow the link to the lunch menus for the Summer term.
