Success for All

We would like to congratulate KS3 students for completing their assessments this week. The data that this provides is invaluable when planning the curriculum for our students moving forward.

Year 10 students have completed their week of work experience and we have had many messages of praise from the varied employers for the exemplary conduct that students have displayed. Some students have even been offered employment, which is absolutely amazing and testament to the students and the process.

On Monday, we have our trips day where students who are eligible are going to one of the following venues - Alton Towers, Blackpool Zoo, Ninja Warrior, Blackpool Pleasure Beach, Chester Zoo and Vue Cinema.

Students are asked to wear their Stanley High School PE kit and to bring appropriate additional clothing dependent on the weather. PE kit must be school kit and not leisure wear. They should also bring a packed lunch and any additional money for food or gifts. All FSM students will be provided with a packed lunch.

You will have been informed of arrival and departure times via email but please see information below.

Alton Towers to arrive at school for **7.15am** estimated return time of 7.30pm

Chester Zoo to arrive at school for **8.15am** estimated return time of 5.30pm

Blackpool Pleasure Beach to arrive at school for **8.15am** estimated return time of 6pm

Ninja Warrior to arrive at school for **8.30am** estimated return time of 12.30pm and
finish school at 3pm

Blackpool Zoo to arrive at school for **8.40am** estimated return time of 4.30pm

Vue Cinema students should wear full school uniform and will leave from school and
are estimated to return to school by 3.45pm

We are sure everyone will have the best day and we hope the weather is kind!

**All students not attending trips will be expected in school at 8.40am.
They must bring school PE kit with them to participate in a PE lesson.**

Bronze DofE Expedition Success!

A huge congratulations to all the students who completed their Bronze Duke of Edinburgh's Award expedition in July! They were truly phenomenal, showing outstanding teamwork, determination, and resilience—especially in the face of some very wet and challenging conditions. We are incredibly proud of everything they've achieved, and they should be too. We are looking forward to seeing some of the students take part in the Silver Award in Y10. A huge thank you also goes to the staff who generously gave up their time to support the expedition and all the support from parents and carers—it wouldn't have been possible without you!

As we approach the deadline for the Super Heroes competition, please see below a few of our superheroes entries. They will be posted to the Captain Southport competition after the deadline, and then they will be on display in Cambridge Arcade. The Marcel comic illustrators will then choose their favourite from all the designs from all the schools .

This design will then be made into Captain Southport. How very exciting!
