Success for all

We are delighted to have sent our first group of students taking part in their Bronze Duke of Edinburgh expedition off in the sunshine this morning. If this is something your child would like to take part in, please encourage them to see Miss Chadderton. Best of luck to all of those on the expedition.

We are very excited to welcome our local primary school children and parents to our **Open Evening on Thursday 18th September**. This will take place from **6pm to 8pm** so please feel free to come and visit. You do not need to book. There will be Headteacher presentations taking place at 6.30pm and 7.30pm in the main hall. **Please be aware that the school will close at 2pm to allow the school and staff to prepare for the evening.**

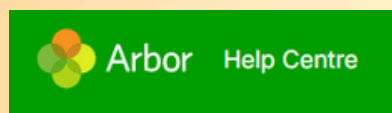

As your children start to settle in to our school routines, please be reassured that we are here to answer any questions you may have. Please contact your child's form tutor or pastoral lead in the first instance by emailing enquiries@stanleyhigh.co.uk or contacting the school office on 01704 228940.

The Arbor Parent App allows parent/carers to manage various aspects of their child's education from their mobile devices. Key features include:

Viewing Attendance and Behaviour: Parents can check their child's attendance statistics and behaviour points.

Updating Personal Information: Users can update their child's profile information as needed.

For more details, you can download the app from your phone's app store or contact the school and we will send you an invite direct from Arbor.

PARENT EVENT

Peterhouse School

NEURODIVERGENCE, ONLINE SAFETY AND DIGITAL HARMS

We are delighted to welcome Ali Barfield delivering this session. Ali describes himself as AuAHD (having autism and ADHD) and is a leading expert in neurodivergence and digital harms.

He is Director and Founder of Deflect and Protect, a CIC Company, a not for profit organisation designed to reduce the exploitation and radicalisation of the autistic community online.

**Wednesday 17th September
2025
1.15- 2.45pm
The Cherish Centre, West
Park, Albert Road,
Southport, PR9 9LN**

Our parent /carer session will focus on:

- Why the digital world is a valuable space for many neurodivergent young people.
- How the online content young people interact with can shape their choices and may expose them to risks and harmful behaviours
- Practical tips and guidance on creating safe and supportive online spaces for young people.
- How to talk about the internet with young people.

We know how valuable this session will be for you, however places are limited so

Please book your place here on survey monkey!
