## Success for all

It was wonderful to see so many Year 7 Parents, Carers and students yesterday for the Information Evening. If you were unable to attend, please contact Miss Green for further information.

During half term, there will be a number of revision sessions taking place for Year 11 students - thank you to all who have given up their time and we hope to see as many students as possible. Please follow the link below to see the revision timetable.

Year 11 mock exam timetables have been issued for the mock window which will take place from 27<sup>th</sup> November to 12<sup>th</sup> December. This is a good practice run for the GCSE exams taking place in the summer as we follow all the same guidelines and regulations to ensure students are prepared appropriately.

During lessons, students will be given details of what to expect and what topics to study in preparation

Please follow the link below to view the exam timetable and other supporting information.

## World Mental Health Day

Last Friday, we celebrated World Mental Health Day by encouraging students to wear a yellow item to adorn their uniform and a small donation of £1 to fundraise.

The focus was on the impact of exposure to news coverage of crises and conflict.

During break and lunchtime, we put on some arts and craft sessions in the Hall for students and staff to attend. It was wonderful to see so many taking part, and some students asked if we could do this every week!

Please follow the links below to the Mind and Kooth websites for information and support.

## Student Celebration

Following on from Will and his team's success in winning the junior Southport and District Golf league back in August, he and his team Ollie, Aiden, Sam and Charlie went on to become North West Counties Champions 2025 after the final which was held in Bromborough Wirral.

The boys families and club members and junior section organisers are very proud of them!

## Joseph and the Amazing Technicolour Dreamcoat auditions

We had over 80 students audition for our forthcoming production of 'Joseph and the Amazing Technicolour Dreamcoat.' Each student has been assigned a role and rehearsals have started for what promises to be the largest production Stanley High School has ever seen! The production will take place on 12th and 13th March 2026 and further information will follow in due course.

Please be aware that we will not authorise holidays during term time.

This is in accordance with Government Guidelines. Please follow the link to view them  
<https://www.childrenscommissioner.gov.uk/back-into-school/resources-for-families/>

**All holidays should be booked outside of term time.**

If there are exceptional circumstances, please email the office via the [enquiries@stanleyhigh.co.uk](mailto:enquiries@stanleyhigh.co.uk) email.

Please be reminded that if your child has a medical appointment, we require some form of proof to be able to authorise them. We also ask that if the appointment cannot be made after school, then the child attends school before and after their appointment.

We also ask that you call school with the reason should your child be absent from school. No contact could become a safeguarding concern.

Thank you for your ongoing support.

## Term Dates 2025-2026

Please follow the link below to view the term dates for the next academic year.

Please note that following Government and Sefton guidance, no holidays will be authorised during term time.

If your child is part of a team, or takes part in any external activities you would like to share with us, please contact the school and let us know.

We want to be able to celebrate their successes with you and it is always a joy to hear of the wonderful things our students achieve outside of the school environment.
