

STANLEY BULLETIN

Friday 14th November 2025

Success for all

On Tuesday, we had the pleasure of Mr Johnson from Southport Salvation Army Band in school to play for our students in memory of all those who served and sacrificed their lives in war; both past and present.

This is one of the most important memorial events we take part in and, as always the students were extremely respectful and remained silent throughout. Thank you Mr Johnson for making our memorial all the more poignant.

Massive congratulations to our Year 7 and Year 8 girls who both won their Sefton football tournament last week! What absolute champions!

They were all delighted, as were we!

PRAISE POINTS

Congratulations to the **566** students who received no behaviour points last week.

Keep up the good work.

On Friday 7th November, Year 10 students were treated to a visit from ManActCo Theatre company and watched a performance of A Christmas Carol.

The students were thoroughly engrossed in the performance and really enjoyed the experience.

Not only was this an excellent opportunity for the students to watch a live performance, it will also benefit the students in their study of A Christmas Carol for their GCSE.

Finally, the performers themselves were delighted with how engaged the students were with the performance and complimented us on our lovely school.

They will be returning in March to perform for Year 11 students and they can't wait!

Year 11 mock exams will take place from 27th November to 12th December. Students have been issued their timetable, and please encourage them to speak with Mrs Rawcliffe if they have any concerns. This is a good practice run for the GCSE exams that take place in the summer, as we follow all the same guidelines and regulations to ensure students are prepared appropriately.

Please follow the link below to view the exam timetable and other supporting information. <https://stanleyhigh.co.uk/year-11-mock-exams-2025/>

Year 8 Technology

Year 8 have now come to the end of their Textiles rotation where they were tasked to create three pompoms and create a centre piece for the MacMillan Coffee morning tables. As you can see, they are very proud of their outcomes!

They developed the design on 2D Design and then used the Brazing Hearth to melt the pewter into their ready made moulds.

They have spent a considerable amount of time polishing them up with wet and dry paper!

Well done, Year 8! We look forward to seeing what you create next!

On Sunday 9th November, our Head Boy and Girl, Will and Olivia, along with the winner of our competition, Layla, laid our school Remembrance wreath on behalf of the staff and students here at Stanley High School, at the Lord Street Remembrance service last weekend.

'For all those who gave up their lives, so we could live ours. We will remember them.'

Year 7 Technology

The first rotation in Technology is coming to a close and Year 7 Technology students are proudly showing off their architectural inspired clocks.

They were asked to design and make a souvenir clock based on the works of an architect. They created their bases using classic workshop techniques and the faces of their clock were made on 2D Design and the laser cutter. They used the strip wire heater to bend the acrylic and assembled the final piece themselves!

Well done, Year 7!

Y8 Mini Medic sessions

This week, our Year 8 students have been taking part in the Mini Medic sessions funded through the kNOwKnifeCrime campaign. This has been an excellent opportunity for our students and it has provided a clear overview of what makes a good medic.

Students were given an introduction to first aid and emergency response skills; the goal of the session was to build confidence and empower young learners to act responsibly and effectively in an emergency.

A huge thank you to our Mini Medic instructors for delivering such an engaging and informative session. The students had a fantastic time learning these important life skills in a fun and memorable way!

Please be aware that we will not authorise holidays during term time.

This is in accordance with Government Guidelines. Please follow the link to view them <https://www.childrenscommissioner.gov.uk/back-into-school/resources-for-families/>

All holidays should be booked outside of term time.

If there are exceptional circumstances, please email the office via the enquiries@stanleyhigh.co.uk email.

Please be reminded that if your child has a medical appointment, we require some form of proof to be able to authorise them. We also ask that if the appointment cannot be made after school, then the child attends school before and after their appointment.

We also ask that you call school with the reason should your child be absent from school. No contact could become a safeguarding concern.

Thank you for your ongoing support.

Joseph and the Amazing Technicolour Dreamcoat auditions

Students continue with their rehearsals for our forthcoming production of 'Joseph and the Amazing Technicolour Dreamcoat.'

The production will take place on 12th and 13th March 2026 and further information will follow regarding tickets sales.

Term Dates 2025-2026

Please follow the link below to view the term dates for the next academic year.

Please note that following Government and Sefton guidance, no holidays will be authorised during term time.

<https://stanleyhigh.co.uk/term-dates>

If your child is part of a team, or takes part in any external activities you would like to share with us, please contact the school and let us know.

We want to be able to celebrate their successes with you and it is always a joy to hear of the wonderful things our students achieve outside of the school environment.
