## Success for all

What an interesting week we have had, with Careers, Theatre visits and the Joseph production rehearsals taking place.

On Wednesday, we had our annual careers fair taking place where students were given the chance to find all about different careers and the many varied pathways available to them.

Today we have had a visit from the Manacto Theatre Company to give a performance of A Christmas Carol to Year 10 GCSE Students. They will return next year for Year 11 GCSE students. This will tie in with their GCSE syllabus and is part of the curriculum.

Year 11 mock exams will take place from 27<sup>th</sup> November to 12<sup>th</sup> December. Students have been issued with their timetables, so please encourage them to speak with Mrs Rawcliffe if they have any concerns. This is a good practice run for the GCSE exams that take place in the summer, as we follow all the same guidelines and regulations to ensure students are prepared appropriately.

## A Grand day out!

Mrs Lyon had the privilege of going to the Grand Hotel on Lord Street with two of our talented Year 10 Hospitality and Catering students. The students were invited into the kitchen to showcase their dessert of choice, working with Head Chefs from both The Grand and The Bold Hotel. This was an incredible first-hand experience of working in a professional kitchen. The students thrived working with talented local chefs.

The competition was fierce with other trust schools who also entered. Our students also had the opportunity to work with talent from Greenbank and Birkdale! The students were exemplary and a credit to the school. We will be taking more of our students back for a Hospitality event in the new year!

## Careers

On Monday, our new Year 8 careers champions attended a training day at Birkdale High School along with other new recruits from across the Southport Learning Trust Schools.

Miss Waltho is very excited to be working with them over the next 2 years as they champion and educate staff and students alike on the future careers across our region.

On Wednesday, we welcomed over 20 employers, colleges and universities into Stanley for our KS3 Careers Discovery Day.

Year 7, 8 and 9 students had the opportunity to start to learn about what is available to them once they leave us in Year 11.

It was an exciting afternoon and the atmosphere was vibrant - all the students behaved impeccably and gained lots of knowledge about what their futures could hold.

We would like to share an upcoming free webinar that you might be interested in. The webinar is called How To Support Your Child's Communication Skills and focuses on Supporting Children With Tics & Stammering. The webinar takes place on Wednesday 3rd December at 10-11am.
