## Success for all

Year 11 students are now 2 weeks away from the start of the GCSE Examination window. This time is crucial for them to prepare and ensure they are fully ready to sit their exams.

Please encourage your child to speak with their form tutor, year leader or subject teacher if they have any concerns or questions.

We are continuing with our Masterclasses and we are impressed with the student engagement seen so far.

Today, we waved off our Year 7 students to their Activity Day at Waddecar Scout Activity Centre in Preston. They will have had an amazing day, taking part in lots of different activities. We will have a full report in next week's newsletter.

Year 9 students will go on their Bronze DofE Practice Expedition next week - let's hope the good weather continues.

We enjoyed hosting the Sing for Sefton event on Wednesday and the primary pupils and Stanley students thoroughly enjoyed it - please see details below.

We also took part in the Trust mini-marathon on Wednesday, which is the lead up to the Trust schools' visit to London for the London Marathon. Good luck to all the runners, especially the Southport Learning Trust team below:

Mr Raikes – CEO of Southport Learning Trust  
Miss Low – Maghull High School  
Miss Checkley – Kew Woods Primary  
Mr Roberts – Meols Cop High School  
Mr Woodley – Birkdale High School

We wish them well on Sunday.

On Wednesday, a group of our students took part in the Southport Learning Trust school-to-school relay event to continue to raise awareness of the kNOwKnifeCrime campaign. This was an incredible day for all students within the Trust, and our students certainly stepped up to the challenge.

The relay covered over 25 miles, with our students contributing towards this distance running from Stanley to Meols Cop. It was brilliant to see the effort, energy and support from everyone involved. What an inspiring event for our school to be a part of! Well done to everyone involved – you should all be very proud of yourselves!

## Safeguarding Team

Safeguarding means **keeping you safe** and acting to look after you if you are ever at risk. Safeguarding is the **most important job** we do in a school.

If you are concerned about your **own safety or well being**, or the **safety and well being of someone else in school**, it is really important that you talk to any member of staff. That member of staff will explain your concerns confidentially to a member of the safeguarding team.

You can also speak directly to the safeguarding team.

## Sing for Sefton

On Wednesday, we were delighted to host the Sing for Sefton event in partnership with Sefton Music Service and Ex Cathedra.

We welcomed over 160 Year 3 and Year 4 pupils from St John's, Larkfield and Churchtown Primary Schools, who took part in a range of fun, engaging musical activities in preparation for the event that takes place at the Atkinson Theatre in July.

A huge congratulations also goes to our fantastic Year 9 student helpers, who joined in enthusiastically and threw themselves into the celebrations. It was a truly wonderful event, and we are already looking forward to hosting our next one in June.

## Parent/Carer Consultation Evenings

3.30pm - 6.30pm

Year 8 on 14th May

Year 7 on 11th June

Please be reminded that if your child has a medical appointment, we require some form of proof to be able to authorise them. We also ask that if the appointment cannot be made after school, then the child attends school before and after their appointment. Students need to be present for 9am to get their morning mark and 1pm for their afternoon mark.

We also ask that you call school with the reason should your child be absent from school. No contact could become a safeguarding concern.

Thank you for your ongoing support.

## **Term Dates**

Please follow the link below to view the term dates for the next academic year.

Please note that following Government and Sefton guidance, no holidays will be authorised during term time.

If your child is part of a team, or takes part in any external activities you would like to share with us, please contact the school and let us know.

We want to be able to celebrate their successes with you and it is always a joy to hear of the wonderful things our students achieve outside of the school environment.
