Success for all

The GCSE Exams are now well and truly under way and our Year 11s are into the swing of their new exam routines. To keep them as calm and focused as possible, please encourage them to prepare for their exams the night before and remind them that the school will be open from 8am. Should you have any questions or concerns, please do not hesitate to contact the school office.

The second Bronze DofE practice expedition left bright and breezy this morning, and it is looking like they will be blessed with good weather. This is the final practice before they begin the qualifying expeditions on 5th and 19th June.

Year 7 parent/carers evening will take place on the 11th June. Information will be sent to parents regarding the booking process next week.

Year 6 students will visit us for their Transition Day on 25th June which is always exciting as this is their first full school day in Stanley High School. Miss Green, Year 7 Lead, is planning the day and we look forward to welcoming students as they start their Stanley journey with us.

Next week we break for half term - Year 11 students have revision sessions as per the timetable below.

Year 9 and Miss Jordan have been working hard on these lovely, quirky faces. Students have been learning to use recycled materials to create layers and textures. Well done, Year 9 .

Well done Year 7 for their excellent sewing skills. We may have some future surgeons amongst us!

Safeguarding means **keeping you safe** and acting to look after you if you are ever at risk. Safeguarding is the **most important job** we do in a school.

If you are concerned about your **own safety or well being**, or the **safety and well being of someone else in school**, it is really important that you talk to any member of staff. That member of staff will explain your concerns confidentially to a member of the safeguarding team.

You can also speak directly to the safeguarding team.

Parent/Carer Consultation Evenings

3.30pm - 6.30pm

Year 7 on 11th June

Please be reminded that if your child has a medical appointment, we require some form of proof to be able to authorise them. We also ask that if the appointment cannot be made after school, then the child attends school before and after their appointment. Students need to be present for 9am to get their morning mark and 1pm for their afternoon mark.

We also ask that you call school with the reason should your child be absent from school. No contact could become a safeguarding concern.

Thank you for your ongoing support.
