Success for all

The Year is flying by, it's hard to believe we are at May half term. Year 11 students have a range of revision sessions taking place during the half term break as per the timetable below, and we thank the staff for giving up their free time to come into school to support the students.

The exam timetable is also below for your information.

Please be reminded that the Year 7 Parent/Carer evening will take place on Thursday 11th June. An email has been sent home today with further information.

We had an amazing day on Wednesday supporting Bebe's Hive Charity. The school came out in support by wearing yellow and our Year 7 students made and sold friendship bracelets during break and lunchtime. The PE department also organised a range of fun sporting activities; penalty shoot-outs, basketball challenges and a golf challenge.

We look forward to see how much money we have raised to support such a wonderful cause.

The Year 9 Sports Leaders should be extremely proud of the fantastic support they provided at Banks St Stephen's Primary School Sports Day last week.

Throughout the event, they demonstrated excellent leadership, organisation and encouragement, helping to create a positive and enjoyable experience for all students involved. Their enthusiasm and teamwork were outstanding and reflected the values we are proud to promote at Stanley High.

Well done to all involved for being such excellent role models within our local community.

This week, we held the first of the STEM clubs Technicians programme. The students had an amazing time learning how a Veterinary technician works by practising suture techniques, calculating medication dosages, and putting together a care plan for an animal. So many more exciting opportunities lie ahead!

What an amazing experience the students had on the DofE expedition last week! We witnessed exceptional teamwork, where everyone collaborated seamlessly to achieve their goals. Their navigation skills displayed were impressive, guiding them through every twist and turn with confidence.

Their camp craft was top-notch, showcasing their ability to set up a cosy and functional space in the great outdoors. Lastly, the wonderful behaviour exhibited by all participants truly made the experience memorable. Respect, kindness, and support were in abundance!

Congratulations to our U12 cricket team for beating St Hildas in the first round of the Lancashire Cup.

Stanley outscored their opponents by 32 runs and we look forward to the next stage

Well done, everyone!

Safeguarding Team

Safeguarding means **keeping you safe** and acting to look after you if you are ever at risk. Safeguarding is the **most important job** we do in a school.

If you are concerned about your **own safety or well being**, or the **safety and well being of someone else in school**, it is really important that you talk to any member of staff. That member of staff will explain your concerns confidentially to a member of the safeguarding team.

You can also speak directly to the safeguarding team.

Parent/Carer Consultation Evenings

3.30pm - 6.30pm

Year 7 on 11th June

Please be reminded that if your child has a medical appointment, we require some form of proof to be able to authorise them. We also ask that if the appointment cannot be made after school, then the child attends school before and after their appointment. Students need to be present for 9am to get their morning mark and 1pm for their afternoon mark.

We also ask that you call school with the reason should your child be absent from school. No contact could become a safeguarding concern.

Thank you for your ongoing support.

Term Dates

Please follow the link below to view the term dates for the next academic year.

Please note that following Government and Sefton guidance, no holidays will be authorised during term time.
