Success for all

As we move towards the end of GCSE exams, we would like to take this opportunity to praise the students for their hard work over these last few weeks. Their conduct has been exceptional. They have turned up well-prepared each day and have behaved impeccably throughout. Please be very proud of your children.

While we will be pleased to finish the exams, we will be very sad to see the Year 11s leave. We are currently planning their leaving assembly and making plans for the school prom when we can all take time to reflect on the last 5 years with fondness and joy.

The Prom is still available to be paid for on ParentPay and please do not hesitate to contact Mrs Rawcliffe if you require any assistance.

The exam timetable detailing the remaining exams is below for your information.

Please be reminded that the Year 7 Parent/Carer evening will take place next week on Thursday 11th June and bookings will remain open until Wednesday 10th at 7pm.

The Bronze Duke of Edinburgh qualifying expedition students departed this morning and we are hoping that the weather is kind to them, although it has not been the best this week. Students will also be taking part on the 19th June.

Once the GCSE Exams have been completed, we move into the Year 10 Mock Examinations. All students have been issued with a timetable and you can see this below.

Congratulations to our Year 7 student, Naya, who took part in the Heathrow International Gymnastics Championships and received 2 medals.

Naya came 6th with her individual routine and 3rd with her duo.

Well done, Naya!

ADDvanced Solutions Community Network is commissioned and funded across Cheshire and Merseyside to offer support and learning opportunities around neurodiversity.

The programme is completely free to attend for any parents and carers of autistic children and young people - this version of the programme specifically targets the experiences of autistic young people of secondary school age.

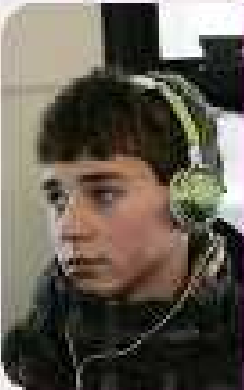

Find out more about our offer in Sefton by visiting our website <https://advancedsolutions.co.uk/> and see the full flier below.

Autism Learning Programme Tweens and Teens

for parents and carers in Sefton and Liverpool
Advanced Solutions Community Network

The Autism Learning Programme has been designed to support and empower parents and carers to understand how autism is experienced by young people aged 11-18 and to provide guidance and strategies to enable you to meet your own young person's individual needs as they navigate high school, puberty and increased social expectations.

Advanced Solutions Community Network is commissioned to deliver this programme for parents and carers in Sefton and Liverpool whose young person has received a diagnosis of autism, but subject to availability, places will also be offered to those who are waiting for a diagnosis.

- Exploring Autism, diagnosis & presentations
- Unique thought processes
- Sensory Processing Difficulties
- Communication, social interaction and relationships
- Eating and Sleeping difficulties
- Anxiety, Stress and understanding behaviours
- Meltdowns and Shutdowns
- Building independence skills

"I felt comfortable to share thoughts and ideas, and the knowledge that the facilitator brought was amazing!"

"I would recommend the programme because it is one of the many ways that autism is different situations."

Safeguarding means **keeping you safe** and acting to look after you if you are ever at risk. Safeguarding is the **most important job** we do in a school.

If you are concerned about your **own safety or well being**, or the **safety and well being of someone else in school**, it is really important that you talk to any member of staff. That member of staff will explain your concerns confidentially to a member of the safeguarding team.

You can also speak directly to the safeguarding team.

Parent/Carer Consultation Evenings

3.30pm - 6.30pm

Year 7 on 11th June

Please be reminded that if your child has a medical appointment, we require some form of proof to be able to authorise them. We also ask that if the appointment cannot be made after school, then the child attends school before and after their appointment. Students need to be present for 9am to get their morning mark and 1pm for their afternoon mark.

We also ask that you call school with the reason should your child be absent from school. No contact could become a safeguarding concern.

Thank you for your ongoing support.

Term Dates

Please follow the link below to view the term dates for the next academic year.

Please note that following Government and Sefton guidance, no holidays will be authorised during term time.
