Friday 3rd July 2026

Success for all

Last night, we attended our wonderful Year 11 school Prom.

The evening was a huge success with lots of laughter, dancing, selfie-taking and celebration.

Thank you, Year 11; you will always be part of Stanley wherever life takes you next. We will see you on results day on Thursday 20th August, 9.30am.

Please look out for the video of the evening which will be posted on Facebook in the coming days.

Last Thursday, we were delighted to welcome our Class of 2031 to Stanley High School. Students joined us from 15 different primary schools for an exciting day designed to give them a taste of secondary school life at Stanley High School.

Throughout the day, students had the opportunity to meet their form tutors and Year Leader, Miss Green, along with other staff whilst taking part in three different lessons. These included History, Drama and Food Technology, all of which helped them experience what learning at Stanley High School is all about. They also enjoyed lunch together and cooled off with ice lollies, while making new friends and getting to know their future classmates.

The atmosphere around the school was fantastic, with students showing great enthusiasm, confidence, and excitement as they began their Stanley High School journey. We are incredibly excited to welcome them back at Summer School and in September! We cannot wait to see them flourish as part of our school community. Please visit our social media channels for our Transition Day video, which was filmed throughout the event and at the link below.

Dates for your Diary

6th - 10th July

Year 10 Work Experience week

8th July

Year 8, 9 & 10 immunisation catch up session

8th July

Year 7 & 10 Celebration evening

9th July

Year 7 & 10 Celebration evening

PRAISE POINTS

Congratulations to the **410** students who received no behaviour points last week.

Keep up the good work.

Hydration

As we experience extremely warm weather, please remind your chid(ren) to bring a re-usable drink bottle into school with them.

We do have water fountains in corridors where they can re-fill them, should they need to.

Term Dates

Please follow the link below to view the term dates for the next academic year.

Evie in Year 8 is the winner of the Frankenstein poster competition and will be working with Mr Proffitt to develop this amazing piece of artwork into advertising material for the school production, giving Evie a real world of work experience.

Thank you Mr Proffitt, for choosing the winner I know it was extremely difficult as we had some really great entries.

Well done, Evie!

A huge well done to our amazing Year 8 Sports Leaders who have spent time supporting St John's C of E and Larkfield Primary School Sports Day.

We love having the opportunity to support our local primary schools and our leaders always do us proud.

The team showed great enthusiasm, confidence and encouragement throughout the event, helping the younger students enjoy every activity and making the day a real success.

They were fantastic ambassadors for Stanley High, and we couldn't be more proud of the way they represented our school.

It was especially lovely to see some of our leaders returning to their old primary schools to help inspire the next generation.

They represented Stanley High with enthusiasm, encouragement and maturity throughout the morning. We are so proud of you all!

ADDvanced Solutions Community Network is commissioned and funded across Cheshire and Merseyside to offer support and learning opportunities around neurodiversity.

The programme is completely free to attend for any parents and carers of autistic children and young people - this version of the programme specifically targets the experiences of autistic young people of secondary school age.

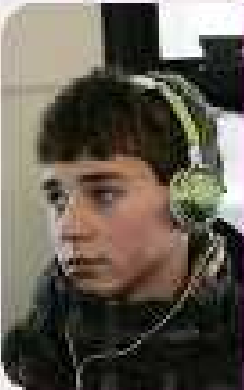

Find out more about our offer in Sefton by visiting our website <https://advancedsolutions.co.uk/> and see the full flier below.

Autism Learning Programme Tweens and Teens

for parents and carers in Sefton and Liverpool
Advanced Solutions Community Network

The Autism Learning Programme has been designed to support and empower parents and carers to understand how autism is experienced by young people aged 11-18 and to provide guidance and strategies to enable you to meet your own young person's individual needs as they navigate high school, puberty and increased social expectations.

Advanced Solutions Community Network is commissioned to deliver this programme for parents and carers in Sefton and Liverpool whose young person has received a diagnosis of autism, but subject to availability, places will also be offered to those who are waiting for a diagnosis.

- Exploring Autism, diagnosis & presentations
- Unique thought processes
- Sensory Processing Difficulties
- Communication, Social Interaction and relationships
- Eating and Sleeping difficulties
- Anxiety, Stress and understanding behaviours
- Meltdowns and Shutdowns
- Building independence skills

"I felt comfortable to share thoughts and ideas, and the knowledge that the facilitator brought was amazing!"

"I would recommend the programme because it is one of the most relevant of autism to different situations."

 **in person**

across 3 Tuesdays - please attend all 3
8:30am - 2:45pm at the Family Life Centre,
Southport, PR8 6JH

Book your place

Session 1 & 2 Tuesday 22 nd June	Session 3 & 4 Tuesday 29 th June	Session 5 & 6 Tuesday 7 th July
