Success for all

Year 10 Humanutopia Bespoke Day

Yesterday our Year 10 students took part in a bespoke workshop day delivered by Humanutopia, an organisation dedicated to supporting young people to develop the skills, confidence and resilience needed to thrive in today's world.

Throughout the day, Year 10 engaged in a range of activities and discussions that encouraged self-reflection, teamwork and personal growth. Students were challenged to think about their aspirations, relationships and the positive choices they can make as they prepare for the important journey towards their GCSEs and beyond.

We were extremely impressed with the conduct, attitude and engagement shown by our Year 10 students throughout the day. They approached the sessions with maturity, honesty and respect, embracing the opportunities to learn more about themselves and support one another. Their willingness to participate fully made the day a great success and reflects positively on the year group.

We would like to thank Humanutopia for delivering such an impactful experience and look forward to seeing our students build on the valuable lessons and insights gained from the workshop.

Dates for your Diary

30th September
Y11 Drama showcase 5pm

1st October
Open Evening 6-8pm - 2pm finish

8th October
Year 11 Parent/Carer Evening 3.30-6.30pm

9th October

Year 10 Information Evening

Last night, we were delighted to welcome Year 10 students and their parents/carers to our Year 10 Information Evening, designed to help families prepare for the important GCSE journey ahead.

The evening provided valuable information and practical guidance on a range of key topics, including effective revision strategies, maintaining positive wellbeing, the importance of excellent attendance, and understanding the wide range of post-16 opportunities available to students.

Parents/carers and students attended a series of informative sessions that highlighted how small, consistent habits can make a significant difference to GCSE success. Staff shared tips on creating effective revision routines, managing workload, maintaining a healthy balance between study and wellbeing, and ensuring students make the most of every learning opportunity through regular attendance.

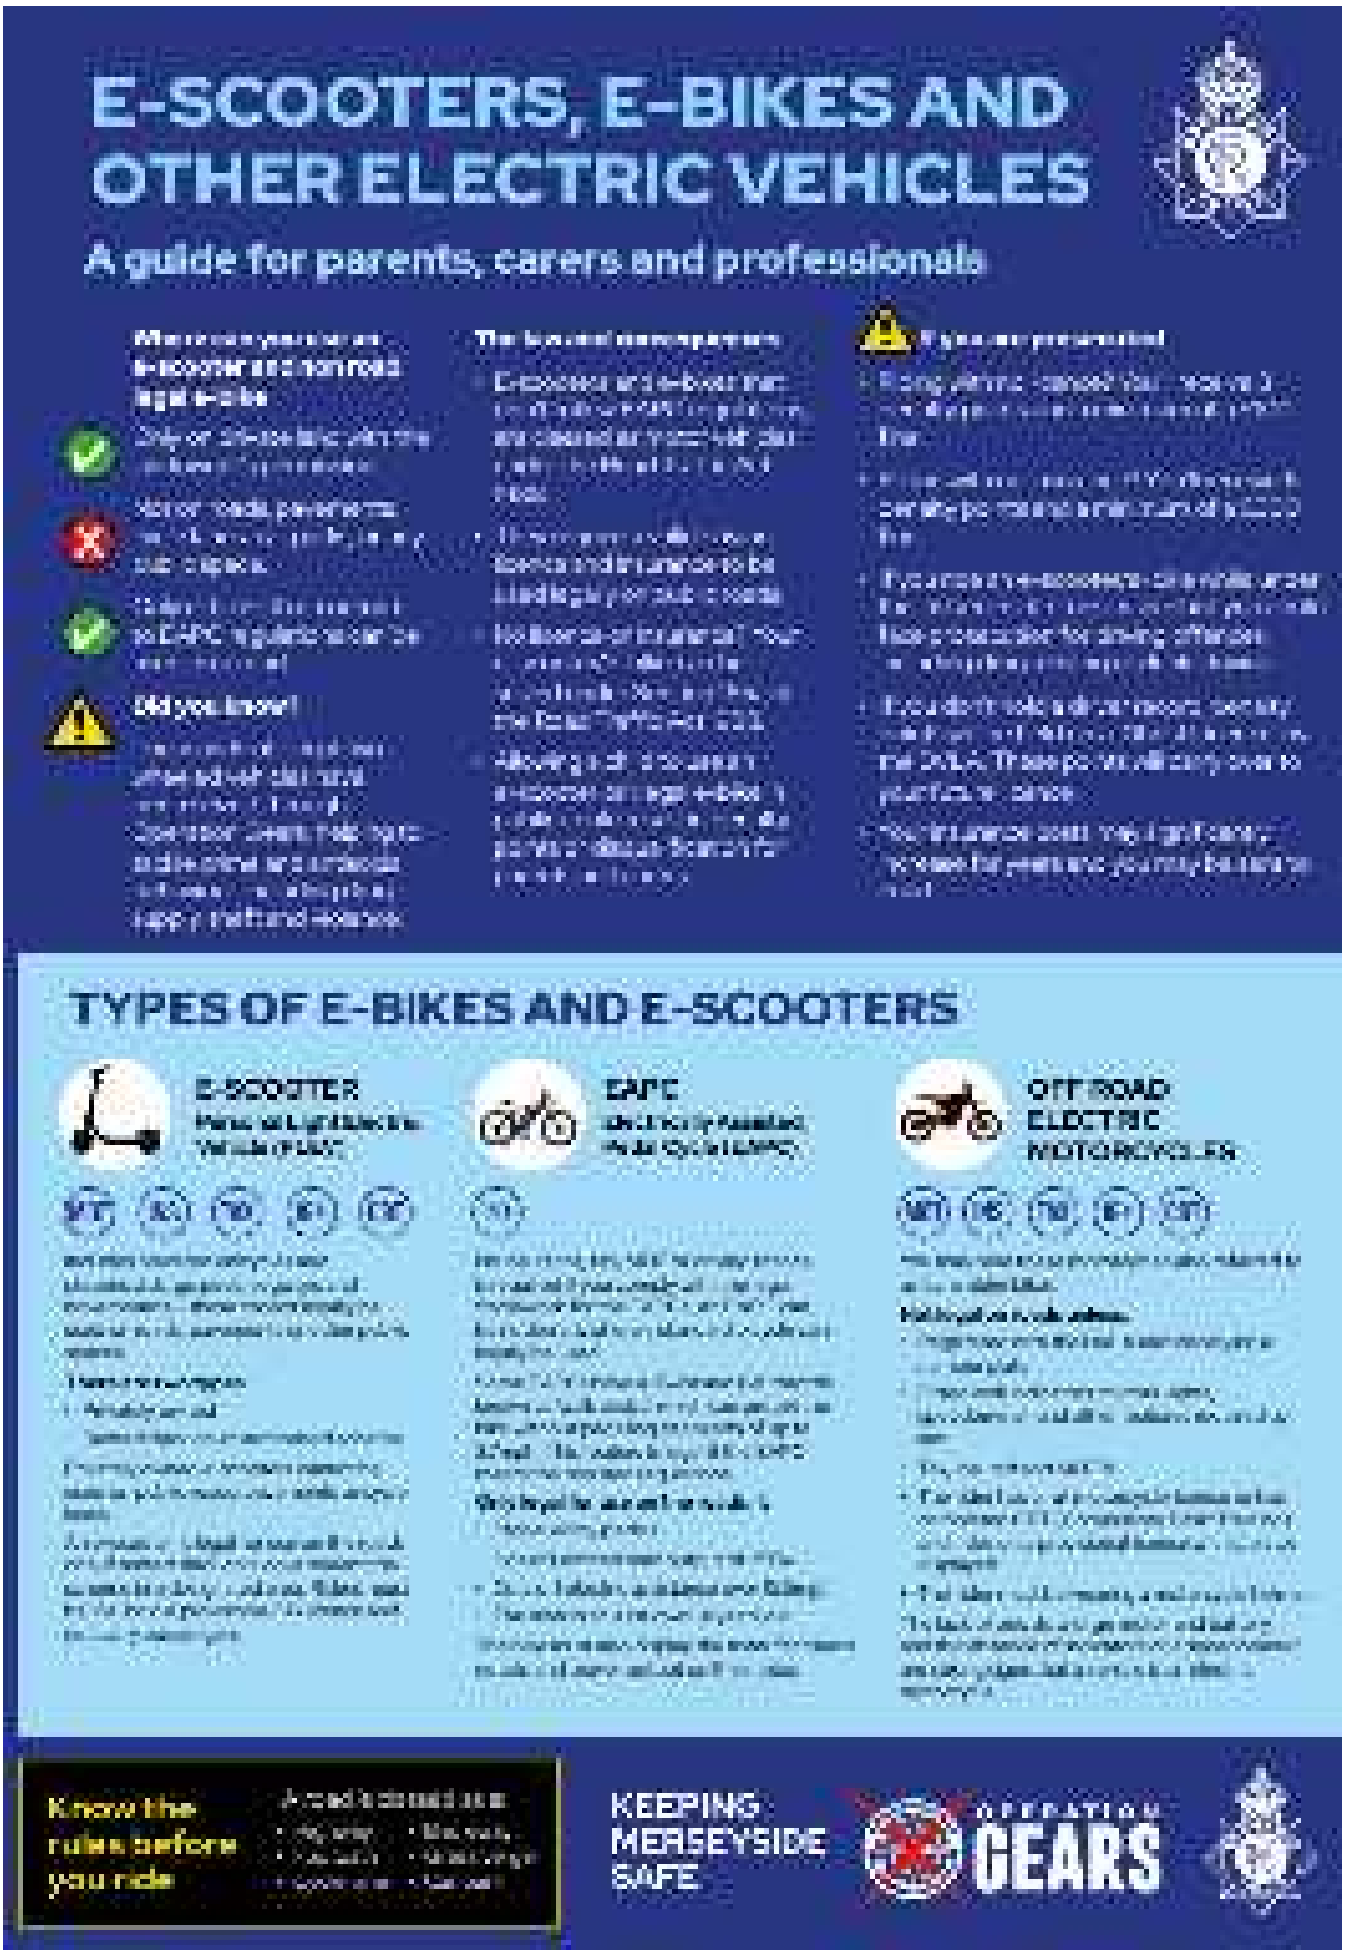

We were also pleased to welcome representatives from local colleges, who were on hand to offer advice and answer questions about post-16 pathways. Students and families gained valuable insights into further education options, helping them to begin thinking about their future aspirations and the steps needed to achieve them.

Thank you to all the parents/carers and students who attended and contributed to a positive and engaging evening. By working together, we can ensure that our Year 10 students are well prepared, confident, and ready to make the most of the opportunities that lie ahead during their GCSE studies.

Year 10 Consultation	27th May 3.30pm - 6.30pm
Year 7 Consultation	17th June 3.30pm - 6.30pm

Please be reminded that if your child has a medical appointment, we require some form of proof to be able to authorise them. We also ask that if the appointment cannot be made after school, then the child attends school before and after their appointment.

We also ask that you call school with the reason should your child be absent from school. No contact could become a safeguarding concern.

Thank you for your ongoing support.
