Inspiring limitless potential

Year 11 Parent/Carer Evening

It was great to see so many Year 11 Parent/Carers and students last night for the first of their two consultation evenings.

We know that this is their final year and we recognise that students and parents/carers need to be aware of where they are academically and also to know what revision and intervention sessions are available to them, to ensure they are fully supported and guided as they move towards their GCSE Examinations.

Please see below the dates for all other consultation evenings as well as other evening events of importance.

Year 7 Waddecar visit
It was exciting to see our Year 7 students set off this morning for a full day at Waddecar Activity Centre in Preston, where they will experience a range of team-building exercises, promoting resilience, problem-solving and confidence. We hope they really enjoy themselves!

Year 10 Manchester City visit
40+ Year 10 students set off to Manchester City this morning for a career-based visit to the football club where they will be able to explore a range of pathways available to them once they leave us in Year 11.

Please look out for a full write up next week.

Free School Meal voucher update from Sefton Council

What is the offer now?
From Autumn 2026, the Council will no longer provide voucher-based support to all eligible families during school holidays. However, a range of alternative support is still available.

Holiday Activities and Food (HAF) Programme
The Holiday Activities and Food (HAF) Programme is available to children who receive benefits-related (targeted) Free School Meals during the Christmas, Easter and Summer holidays. In addition, some smaller-scale targeted activities may be available during half-term breaks.

Children eligible for benefits-related Free School Meals can access the HAF programme. A limited number of places may also be available for families who do not receive benefits-related Free School Meals. Parents and carers are encouraged to contact the HAF team directly for further information.

The programme combines healthy food provision with enrichment activities, social opportunities, and wider wellbeing support for children and young people.

More information is available online by visiting Holiday, Activities and Food Programme (HAF) and for more information and enquiries, parents can contact the HAF team by email:

holidayactivity.andfoodprogramme@sefton.gov.uk

Financial Support
Families experiencing financial hardship are encouraged to visit www.sefton.gov.uk/costofliving for information about the support available to them.

Thank you for your continued support in helping us communicate these changes to families.

Kind regards
Sefton Council

Please be reminded that if your child has a medical appointment, we require some form of proof to be able to authorise them. We also ask that if the appointment cannot be made after school, then the child attends school before and after their appointment.

We also ask that you call school with the reason should your child be absent from school. No contact could become a safeguarding concern.

Thank you for your ongoing support.
